Any technical and business information owned by Vendor or its suppliers or licensors made accessible or furnished to the State shall be and remain the property of the Vendor or such other party, respectively. Vendor agrees to perform under the Contract in at least the same or similar manner provided to comparable users and customers. The State shall notify the Vendor of any defects or deficiencies in performance or failure of deliverables to conform to the standards and specifications provided in this Contract. Vendor agrees to timely remedy defective performance or any nonconforming deliverables on its own or upon such notice provided by the State.
- c) Vendor has a limited, non-exclusive license to access and use State Data provided to Vendor, but solely for performing its obligations under and during this Agreement and in confidence as further provided for herein or by law.
- d) Vendor or its suppliers, as specified and agreed in the Contract, shall provide support assistance to the State related to all Services performed or other deliverables procured hereunder during the State's normal business hours. Vendor warrants that its support, customer service, and assistance will be performed at a minimum in accordance with generally accepted and applicable industry standards.
- e) The State may document and take into account in awarding or renewing future procurement contracts the general reputation, performance and performance capabilities of the Vendor under this Contract as provided by G.S. 143-52 and 143-135.9 (a) and (b) (Best Value).

2. DEFAULT AND TERMINATION.

- a) In the event of default by the Vendor, the State may, as provided by NC law, procure goods and services necessary to complete performance hereunder from other sources and hold the Vendor responsible for any excess cost occasioned thereby. *See*, G.S. 25-2-712. In addition, and in the event of default by the Vendor under the Contract, or upon the Vendor filing a petition for bankruptcy or the entering of a judgment of bankruptcy by or against the Vendor, the State may immediately cease doing business with the Vendor, terminate the Contract for cause, and take action to recover relevant damages, and if permitted by applicable law, debar the Vendor from doing future business with the State. 01 NCAC 05B.1520.
- b) If, through any cause, Vendor shall fail to fulfill in a timely and proper manner the obligations under the Contract, including, without limitation, in these North Carolina General Terms and Conditions, the State shall have the right to terminate the Contract by giving thirty days written notice to the Vendor and specifying the effective date thereof. In that event, any or all finished or unfinished deliverables that are prepared by the Vendor under the Contract shall, at the option of the State, become the property of the State (and under any applicable Vendor license to the extent necessary for the State to use such property), and the Vendor shall be entitled to receive just and equitable compensation for any acceptable deliverable completed (or partially completed at the State's option) as to which such option is exercised. Notwithstanding, Vendor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the Contract, and the State may withhold any payment due the Vendor for the purpose of setoff until such time as the exact amount of damages due the State from such breach can be determined. The State, if insecure as to receiving proper performance or provision of goods deliverables, or if documented Vendor Services performance issues exist, under this Contract, may require at any time a performance bond or other alternative performance guarantees from a Vendor without expense to the State as provided by applicable law. G.S. 143-52(a); 01 NCAC 05B.1521; G.S. 25-2-609.
- c) If this Contract contemplates deliveries or performance over a period of time, the State may terminate this Contract for convenience, in whole or in part as follows:
 - a. By failing to comply with the terms and conditions of this award;

- b. If an award no longer effectuates NCORR goals or priorities;
- c. The consent of the Vendor, in which case the Vendor and NCORR must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated;
- d. Upon sending written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if NCORR determines in the case of partial termination that the reduced or modified portion of the Federal award or subaward will not accomplish the purposes for which the Federal award was made, the NCORR may terminate the Federal award in its entirety; or
- e. Pursuant to termination provisions included in the HUD Federal award;

Termination must be completed in writing by providing 30 days' notice from the State to the Vendor. In that event, any or all finished or unfinished deliverables prepared by the Vendor under this Contract shall, at the option of the State, become its property, and under any applicable Vendor license to the extent necessary for the State to use such property. If the Contract is terminated by the State for any of the reasons stated in 2 I, the State shall pay for those items or Services for which such option is exercised, less any payment or compensation previously made.

3. INTERPRETATION, CONFLICT OF TERMS.

- a) The definitions in the Instructions to Vendors in the relevant solicitation for this Contract, and in 01 NCAC 05A.0112 are specifically incorporated herein.
- b) If federal funds are involved in the transactions under this Contract, the Vendor shall comply with all applicable state and federal requirements and laws. See the additional federal requirements included in the "Federal Funds Provisions" section below.
- c) "Purchasing Agency" herein is as defined in 01 NCAC 05A.0112, except that if this Contract has been entered into by the NC Department of Administration, Division of Purchase and Contract (P&C) as indicated in the Contract (e.g., a State Term Contract), then P&C will then be a Purchasing Agency for the purposes herein and in the Federal Funds Provisions, below.
- d) Contracts made in contravention of General Statutes, Chapter 143, Article 3 and the Rules in 05 NCAC Chapter 5, are void. G.S. 143-58.

4. GOVERNMENTAL RESTRICTIONS: In the event any Governmental restrictions are imposed which necessitate alteration of the goods, material, quality, workmanship, or performance of the Services offered, prior to acceptance, it shall be the responsibility of the Vendor to notify the State Contract Lead or Administrator indicated in the Contract at once, in writing, indicating the specific regulation which requires such alterations. The State reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the Contract.

5. AVAILABILITY OF FUNDS: Any and all payments to the Vendor shall be dependent upon and subject to the availability of funds appropriated or allocated to the agency for the purpose set forth in the Contract.

6. TAXES: Any applicable taxes shall be invoiced as a separate item.

- a) G.S. 143-59.1 bars the Secretary of Administration from entering into Contracts with Vendors if the Vendor or its affiliates meet one of the conditions of G.S. 105-164.8(b) and refuses to collect use tax on sales of tangible personal property to purchasers in North Carolina. Conditions under G.S. 105-164.8(b) include: (1) Maintenance of a retail establishment or office, (2) Presence of representatives in the State that solicit sales or transact business on behalf of the Vendor and (3) Systematic exploitation of the market by media-assisted, media-facilitated, or media-solicited means. By execution of the proposal document the Vendor certifies that it and all of its affiliates, (if it has affiliates), collect(s) the appropriate taxes.
- b) The agency(ies) participating in the Contract are exempt from Federal Taxes, such as excise and transportation. Exemption forms submitted by the Vendor will be executed and returned by the using agency.
- c) Prices offered are not to include any personal property taxes, nor any sales or use tax (or fees) unless required by the North Carolina Department of Revenue.

7. SITUS AND GOVERNING LAWS:

- a) This Contract is made under and shall be governed by and construed in accordance with the laws of the State of North Carolina, including, without limitation, the relevant provisions of G.S. Chapter 143, Article 3, and the Rules in 01 NCAC Chapter 05, and any applicable successor provisions, without regard to its conflict of laws rules, and within which

State all matters, whether sounding in Contract, tort or otherwise, relating to its validity, construction, interpretation and enforcement shall be determined. G.S. 22B-3.

- b) Vendor shall comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business and its performance in accordance with the Contract, including those of federal, state, and local agencies having jurisdiction and/or authority, and including, without limitation, the applicable requirements in the Federal Funds Provisions, below.
- c) Non-resident Vendor corporations not formed under NC law must be domesticated in the Office of the NC Secretary of State in order to contract with the State of North Carolina. G.S. 55A-15-01.

8. NON-DISCRIMINATION COMPLIANCE:

To the extent federal funding is involved in this procurement, in whole or in part, compliance with the following is required:

- a) The Vendor shall comply with all Federal Funds Provisions requirements (below) and not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Vendor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- b) The Vendor shall, in all solicitations or advertisements for employees placed by or on behalf of the Vendor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin:
- c) The Vendor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Vendor's legal duty to furnish information.
- d) The Vendor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Vendor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- e) The Vendor shall comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- f) The Vendor shall furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and shall permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- g) In the event of the Vendor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Vendor may be declared ineligible for further Government contracts or federally assisted construction Contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- h) The Vendor shall include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Vendor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions,

including sanctions for noncompliance: Provided, however, that in the event a Vendor (or herein "applicant," as applicable in context within these Federal Funds Provisions) becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Vendor may request the United States to enter into such litigation to protect the interests of the United States.

- i) The Vendor further agrees that it shall be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the Vendor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.
- j) The Vendor agrees that it shall assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Vendors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it shall furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it shall otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.
- k) The Vendor further agrees that it shall refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Vendor debarred from, or who has not demonstrated eligibility for, Government Contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Vendors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Vendor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part any relevant grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Vendor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Vendor; and refer the case to the Department of Justice for appropriate legal proceedings.

9. **PAYMENT TERMS:** Payment terms are net not later than 30 days after receipt of a correct invoice or acceptance of goods, whichever is later. The Procuring Agency is responsible for all payments to the Vendor under the Contract. Payment by some agencies may be made by procurement card. If the Vendor accepts Visa, MasterCard, etc., from other customers, it shall accept procurement card payment by the State under the terms provided for the procurement card. 01 NCAC 05B.1523. If payment is made by procurement card, then payment for amounts then due may be processed immediately by the Vendor.

The State does not agree in advance, in contract, pursuant to Constitutional limitations, to pay costs such as interest, late fees, penalties or attorney's fees. This Contract will not be construed as an agreement by the State to pay such costs, and will be paid only as ordered by a court of competent jurisdiction.

10. **CONDITION AND PACKAGING:** Unless otherwise expressly provided by special terms and conditions or specifications in the Contract or by express, specific federal law or rule, it is understood and agreed that any item offered or shipped has not been sold or used for any purpose, is newly manufactured, and shall be in first class condition. All containers/packaging shall be suitable for handling, storage, or shipment.

11. **INTELLECTUAL PROPERTY WARRANTY AND INDEMNITY:** Vendor shall hold and save the State, its officers, agents and employees, harmless from liability of any kind, including costs and expenses, resulting from infringement of the rights of any third party in any Services or copyrighted material, patented or patent-pending invention, article, device or appliance delivered in connection with the Contract.

- a) Vendor warrants to the best of its knowledge that:
 - i) Performance under the Contract does not infringe upon any intellectual property rights of any third party; and
 - ii) There are no actual or threatened actions arising from, or alleged under, any intellectual property rights of any third party;
- b) Should any deliverables supplied by Vendor become the subject of a claim of infringement of a patent, copyright, trademark or a trade secret in the United States, the Vendor, shall at its option and expense, either procure for the State the right to continue using the deliverables, or replace or modify the same to become non-infringing. If neither of these options can reasonably be taken in Vendor's judgment, or if further use shall be prevented by injunction, the Vendor agrees to cease provision of any affected deliverables and refund any sums the State has paid Vendor for such deliverables and make every reasonable effort to assist the State in procuring substitute deliverables. If, in the

sole opinion of the State, the cessation of use by the State of any such deliverables due to infringement issues makes the retention of other items acquired from the Vendor under this Agreement impractical, the State shall then have the option of terminating the Agreement, or applicable portions thereof, without penalty or termination charge; and Vendor agrees to refund any sums the State paid for unused Services or other deliverables.

- c) The Vendor, at its own expense, shall defend any action brought against the State to the extent that such action is based upon a claim that the deliverables supplied by the Vendor, their use or operation, infringe on a patent, copyright, trademark or violate a trade secret in the United States. The Vendor shall pay those costs and damages finally awarded or agreed in a settlement against the State in any such action. Such defense and payment shall be conditioned on the following:
 - i) That the Vendor shall be notified within a reasonable time in writing by the State of any such claim; and
 - ii) That the Vendor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise provided, however, that the State shall have the option to participate in such action at its own expense.
- d) Vendor will not be required to defend or indemnify the State to the extent any claim by a third party against the State for infringement or misappropriation results solely from the State's material alteration of any Vendor-branded deliverables or Services, or from the continued use of the Services or other deliverables after receiving written notice from the Vendor of the claimed infringement.

12. ADVERTISING: Vendor agrees not to use the existence of the Contract or the name of the State of North Carolina as part of any commercial advertising or marketing of products or Services except as provided in 01 NCAC 05B.1516. A Vendor may inquire whether the State is willing to be included on a listing of its existing customers.

13. ACCESS TO PERSONS AND RECORDS:

- a) During, and after the term hereof during the relevant period required for retention of records by State law (G.S. 121-5, 132-1 *et seq.*, typically five years), the State Auditor and any Purchasing Agency's internal auditors shall have access to persons and records related to the Contract to verify accounts and data affecting fees or performance under the Contract, as provided in G.S. 143-49(9). However, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of such retention of records period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the record retentions period, whichever is later.
- b) The following entities may audit the records of this contract during and after the term of the contract to verify accounts and data affecting fees or performance:
 - 1. The State Auditor.
 - 2. The internal auditors of the affected department, agency or institution.
 - 3. The Joint Legislative Commission on Governmental Operations and legislative employees whose primary responsibility is to provide professional or administrative services to the Commission.
- c) The Joint Legislative Commission on Governmental Operations has the authority to:
 - 1. Study the efficiency, economy and effectiveness of any non-State entity receiving public funds.
 - 2. Evaluate the implementation of public policies, as articulated by enacted law, administrative rule, executive order, policy, or local ordinance, by any non-State entity receiving public funds.
 - 3. Investigate possible instances of misfeasance, malfeasance, nonfeasance, mismanagement, waste, abuse, or illegal conduct by officers and employees of a non-State entity receiving, directly or indirectly, public funds, as it relates to the officer's or employee's responsibilities regarding the receipt of public funds.
 - 4. Receive reports as required by law or as requested by the Commission.
 - 5. Access and review
 - a. Any documents or records related to any contract awarded by a State agency, including the documents and records of the contractor, that the Commission determines will assist in verifying accounts or will contain data affecting fees or performance; and

- b. Any records related to any subcontract of a contract awarded by a State agency that is utilized to fulfill the contract, including, but not limited to (i) records related to the drafting and approval of the subcontract, and (ii) documents and records of the contractor or subcontractor that the Commission determines will assist in verifying accounts or will contain data affecting fees or performance.
- d) The Joint Legislative Commission on Governmental Operations has the power to:
 - 1. Compel access to any document or system of records held by a non-State entity receiving, directly or indirectly, public funds, to the extent the documents relate to the receipt, purpose or implementation of a program or service paid for with public funds.
 - 2. Compel attendance of any officer or employee of any non-State entity receiving public funds, provided the officer or employee is responsible for implementing a program or providing a service paid for with public funds.
- e) Unless prohibited by federal law, the Commission and Commission staff in the discharge of their duties under this Article shall be provided access to any building or facility owned or leased by a non-State entity receiving public funds provided (i) the building or facility is used to implement a program or provide a service paid for with public funds and (ii) the access is reasonably related to the receipt, purpose, or implementation of a program or service paid for with public funds.
- f) Any confidential information obtained by the Commission shall remain confidential and is not a public record as defined in G.S. 132-1.
- g) Any document or information obtained or produced by Commission staff in furtherance of staff's duties to the Commission is confidential and is not a public record as defined in G.S. 132-1.
- h) A person who conceals, falsifies, or refuses to provide to the Commission any document, information, or access to any building or facility as required by this Article with the intent to mislead, impede, or interfere with the Commission's discharge of its duties under this Article shall be guilty of a Class 2 misdemeanor.

14. ASSIGNMENT OR DELEGATION OF DUTIES.

- a) As a convenience to the Vendor, the State may include any person or entity designated by the Vendor in writing as a joint payee on the Vendor's payment check. In no event shall such approval and action obligate the State to anyone other than the Vendor.
- b) If Vendor requests any assignment, or delegation of duties, the Vendor shall remain responsible for fulfillment of all Contract obligations. Upon written request, the State may, in its unfettered discretion, approve an assignment or delegation to another responsible entity acceptable to the State, such as the surviving entity of a merger, acquisition or a corporate reorganization if made as part of the transfer of all or substantially all of the Vendor's assets. 01 NCAC 05B.1507. Any purported assignment or delegation made in violation of this provision shall be void and a material breach of the Contract. G.S. 143-58.

15. INSURANCE: This section provides minimum insurance coverage rates that are applicable to most moderate risk solicitations. Agency Risk Analysis will determine if higher insurance coverage amounts are needed based on the likelihood and severity of exposure to the State. The analysis is documented in writing in the official file and considers the following non-exclusive factors:

- 1. Potential for damage to State property or property of a third party,
- 2. Potential for bodily injury to State employees or third parties,
- 3. Whether Vendor will transport State property, clients, or employees,
- 4. Use of a vehicle to accomplish the work or to travel to or from State locations,
- 5. Anticipated physical contacts of the Vendor with the State,
- 6. Anticipated number and activity of Vendor personnel within the State, and
- 7. Any other unique considerations that could result in harm, bodily injury, or property damage.

The Purchasing Agency has specified elsewhere in this Contract any increase in the minimum insurance coverage requirements below if the risk from the above factors is high.

a) REQUIREMENTS – Providing and maintaining adequate insurance coverage is a material obligation of the Vendor and is of the essence of the Contract. All such insurance shall meet all laws of the State of North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the NC Commissioner of Insurance to do business in North Carolina. The Vendor shall at all times comply with the terms of such insurance policies,

and all requirements of the insurer under any such insurance policies, except as they may conflict with existing North Carolina laws or the Contract. The limits of coverage under each insurance policy maintained by the Vendor shall not be interpreted as limiting the Vendor's liability and obligations or the indemnification requirements under the Contract. As provided above, a State agency is authorized, upon written evaluation and substantiation in the official file of the significant risk of bodily injury and/or property or other damage in the contract, to require and enforce higher coverage limits to mitigate the potential risk of liability to the State.

b) COVERAGE – During the term of the Contract, the Vendor at its sole cost and expense shall provide commercial insurance of such type and with such terms and limits as may be reasonably associated with the Contract. At a minimum, the Vendor shall provide and maintain the following coverage and limits, subject to higher requirements by an agency after the risk analysis indicated above:

1. **For Small Purchases** as defined under North Carolina Administrative Code 01 NCAC 05A.0112 (35) and 05B.0301 (1), the minimum applicable insurance requirements for Worker's Compensation and Automobile Liability will apply as required by North Carolina law. The Purchasing Agency may require Commercial General Liability coverage consistent with the assessed risks involved in the procurement.
2. **For Contracts valued in excess of the Small Purchase threshold, but up to \$1,000,000.00 the following limits shall apply:**
 - a. **Worker's Compensation** – The Vendor shall provide and maintain Worker's Compensation Insurance, as may be required by the laws of North Carolina, as well as employer's liability coverage, with minimum limits of \$250,000.00, covering all of Vendor's employees who are engaged in any work under the Contract in North Carolina. If any work is sub-Contracted, the Vendor shall require the sub-contractor to provide the same coverage for any of its employees engaged in any work under the Contract within the State.

Commercial General Liability – General Liability Coverage on a Comprehensive Broad Form on an occurrence basis in the minimum amount of \$500,000.00 for Combined Single Limit. Defense costs shall be in excess of the limit of liability.

- b. **Automobile** – Automobile Liability Insurance, to include liability coverage covering all owned, hired and non-owned vehicles, used within North Carolina in connection with the Contract. The minimum combined single limit shall be \$250,000.00 bodily injury and property damage; \$250,000.00 uninsured/under insured motorist; and \$2,500.00 medical payment.
3. **For Contracts valued in excess of \$1,000,000.00 the following limits shall apply:**
 - c. **Worker's Compensation** – The Vendor shall provide and maintain Worker's Compensation Insurance, as may be required by the laws of North Carolina, as well as employer's liability coverage, with minimum limits of \$500,000.00, covering all of Vendor's employees who are engaged in any work under the Contract in North Carolina. If any work is sub-Contracted, the Vendor shall require the sub-contractor to provide the same coverage for any of its employees engaged in any work under the Contract within the State.

Commercial General Liability – General Liability Coverage on a Comprehensive Broad Form on an occurrence basis in the minimum amount of \$1,000,000.00 for Combined Single Limit. Defense costs shall be in excess of the limit of liability.

- ii. **Automobile** – Automobile Liability Insurance, to include liability coverage covering all owned, hired and non-owned vehicles, used within North Carolina in connection with the Contract. The

minimum combined single limit shall be \$500,000.00 bodily injury and property damage; \$500,000.00 uninsured/under insured motorist; and \$5,000.00 medical payment.

- 16. GENERAL INDEMNITY:** The Vendor shall hold and save the State, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses accruing or resulting to any other person, firm, or corporation furnishing or supplying work, Services, materials, or supplies in connection with the performance of the Contract, and also from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the Vendor in the performance of the Contract that are attributable to the negligence or intentionally tortious acts of the Vendor, provided that the Vendor is notified in writing within 30 days from the date that the State has knowledge of such claims. The Vendor represents and warrants that it shall make no claim of any kind or nature against the State's agents who are involved in the delivery or processing of Vendor deliverables or Services to the State. As part of this provision for indemnity, if federal funds are involved in this procurement, the Vendor warrants that it will comply with all relevant and applicable federal requirements and laws, and will indemnify and hold and save the State harmless from any claims or losses resulting to the State from the Vendor's noncompliance with such federal requirements or law in this Contract. The representations and warranties in the preceding two sentences shall survive the termination or expiration of the Contract. The State does not participate in indemnification due to Constitutional restrictions, or arbitration, which effectively and unacceptably waives jury trial. *See, G.S. 22B-3, -10.*
- 17. SUBCONTRACTING:** Performance under the Contract by the Vendor shall not be subcontracted without prior written approval of the State's assigned Contract Lead. Unless otherwise agreed in writing, acceptance of a Vendor's proposal shall include approval to use the subcontractor(s) that have been specified therein.
- 18. CONFIDENTIALITY:** To the extent permitted by applicable statutes and rules, the State will maintain as confidential trade secrets in its bid that the Vendor does not wish disclosed. As a condition to confidential treatment, the Vendor shall **provide a redacted copy** of the vendor response with all confidential information redacted. **Redacting refers to the blacking out of information, so it is not visible.** Cost information shall not be deemed confidential under any circumstances. Regardless of what a Vendor may label as a trade secret, the determination whether it is or is not entitled to protection will be determined in accordance with G.S. 132-1.2. Any material labeled as confidential constitutes a representation by the Vendor that it has made a reasonable effort in good faith to determine that such material is, in fact, a trade secret under G.S. 132-1.2. Vendors are urged and cautioned to limit the marking of information as a trade secret or as confidential so far as is possible. If a legal action is brought to require the disclosure of any material so marked as confidential, the State will notify Vendor of such action and allow Vendor to defend the confidential status of its information.
- 19. CARE OF STATE DATA AND PROPERTY:** Any State property, information, data, instruments, documents, studies or reports given to or prepared or assembled by or provided to the Vendor under the Contract shall be kept as confidential, used only for the purpose(s) required to perform the Contract and not divulged or made available to any individual or organization without the prior written approval of the State.
- The State's data and property in the hands of the Vendor shall be protected from unauthorized disclosure, loss, damage, destruction by a natural event or another eventuality. The Vendor agrees to reimburse the State for loss or damage of State property while in Vendor's custody. Such State Data shall be returned to the State in a form acceptable to the State upon the termination or expiration of this Agreement.
- The Vendor shall notify the State of any security breaches within 24 hours as required by G.S. 143B-1379. For further information, *see, G.S. 75-60 et seq.* **Notice** is given to the Vendor that the NC Department of Information Technology (DIT) has requirements relating to the security of the State network, and rules relating to the use of the State network, IT software and equipment, that the Vendor must comply with, as applicable. *See, e.g., G.S. 143B-1376.*
- 20. OUTSOURCING:** Any Vendor or subcontractor providing call or contact center services to the State of North Carolina or any of its agencies shall disclose to inbound callers the location from which the call or contact center services are being provided.
- If, after award of a Contract, and consistent with any applicable NC DIT security provisions, the Contractor wishes to relocate or outsource any portion of performance to a location outside the United States, or to Contract with a subcontractor for any such performance, which subcontractor and nature of the work has not previously been disclosed to the State in writing, prior written approval must be obtained from the State Purchasing Agency. Vendor shall give notice to the Purchasing Agency of any relocation of the Vendor, employees of the Vendor, subcontractors of the Vendor, or other persons providing performance under a State Contract to a location outside of the United States. *See, G.S. 143-59.4.*
- 21. ENTIRE AGREEMENT:** The Contract (including any documents mutually incorporated specifically therein) resulting from a relevant solicitation represents the entire agreement between the parties and supersedes all prior oral or written statements

or agreements. All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the Contract expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable Federal or State statutes of limitation.

- 22. ELECTRONIC RECORDS:** The State will digitize all Vendor responses to the relevant solicitation, if not received electronically, as well as any awarded Contract together with associated procurement-related documents. Contractor shall be paid for all authorized services properly performed prior to termination.
27. Breach of Contract Terms. Any violation or breach of any of the terms of this Contract on the part of Contractor or Contractor's Subcontractors may result in the suspension or termination of this Contract or such other action that may be necessary to enforce the rights of the parties of this Contract.  - 34.3. Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. ARTICLE 1 - WORKING DRAWINGS AND SPECIFICATIONS AT THE JOB SITE

- a. Contractor shall maintain, in readable condition at his job office, one complete set of working drawings and specifications for his work including all shop drawings. Such drawings and specifications shall be available for use by Contractor, designer, and/or NCORR. A copy of the plans and specifications shall be provided to Owner.
- b. Contractor shall maintain at the job office a day-to-day record of work-in-place that is at variance with the contract documents. Such variations shall be fully noted on project drawings by Contractor and submitted to the designer and NCORR upon project completion and no later than thirty (30) days after acceptance of the project.
- c. Contractor shall maintain at the job office a record of all required tests or special inspections that have been performed, clearly indicating the scope of work inspected and the date of approval or rejection. Contractor shall make these tests and special inspection reports available to NCORR, the Authority Having Jurisdiction ("AHJ") and Owner upon request.

ARTICLE 2 - OWNERSHIP OF DRAWINGS AND SPECIFICATIONS

- a. Contractor Construction Documents. All drawings and specifications provided by NCORR in the construction of a Project remain intellectual or proprietary property of NCORR. Owner may request drawings and specifications for future renovation or work at the Home. Owner and Contractor use of these plans and specifications on work other than this Contract without permission of NCORR is prohibited. Owner and Contractor are prohibited from selling NCORR's plans and specifications.

ARTICLE 3 - MATERIALS, EQUIPMENT, EMPLOYEES

- a. Contractor shall, unless otherwise specified, supply and pay for all labor, transportation, materials, tools, apparatus, lights, power, heat, sanitary facilities, water, scaffolding and incidentals necessary for the completion of his work, and shall install, maintain and remove all equipment of the construction, other utensils or things, and be responsible for the safe, proper and lawful construction, maintenance and use of the same, and shall construct in the best and most workmanlike manner, a complete job and everything incidental thereto, as shown on the plans, stated in the specifications, or reasonably implied therefrom, all in accordance with the contract documents.
- b. All materials shall be new and of quality specified, except where reclaimed material is authorized herein and approved for use. Workmanship shall at all times be of a grade accepted as the best practice of the particular trade involved, and as stipulated in written standards of recognized organizations or institutes of the respective trades except as exceeded or qualified by the specifications.
- c. Upon notice, Contractor shall furnish evidence as to quality of materials.
- d. Products are generally specified by American Society of Testing and Materials (ASTM) or other reference standard and/or by manufacturer's name and model number or trade name. When specified only by reference standard, Contractor may select any product meeting this standard, by any manufacturer. When several products or manufacturers are specified as being equally acceptable, Contractor has the option of using any product and manufacturer combination listed. However, Contractor shall be aware that the cited examples are used only to denote the quality standard of product desired and that they do not restrict bidders to a specific brand, make, manufacturer or specific name; that they are used only to set forth and convey to bidders the general style, type, character and quality of product desired; and that equivalent products will be acceptable. Request for substitution of materials, items, or equipment shall be submitted to NCORR for approval or disapproval; such approval or disapproval shall be made by NCORR prior to the opening of bids. Alternate materials may be requested after the award if it can clearly be demonstrated that it is an added benefit to Owner and NCORR and Owner approves.
- e. NCORR shall be the judge of equality for proposed substitution of products, materials or equipment and whether they comply with CDBG-DR, HRP and/or grant eligibility rules, requirements and/or standards.

ARTICLE 4 - ROYALTIES, LICENSES AND PATENTS

It is the intention of the contract documents that the work covered herein will not constitute in any way infringement of any patent whatsoever unless the fact of such patent is clearly evidenced herein. Contractor shall protect and save harmless Owner, NCORR, the State of North Carolina and/or HUD against suit on account of alleged or actual infringement. Contractor shall pay all royalties and/or license fees required on account of patented articles or processes, whether the patent rights are evidenced hereinafter.

ARTICLE 5 - PERMITS, INSPECTIONS, FEES, REGULATIONS

- a. Contractor shall give all notices and comply with all laws, ordinances, codes, rules and/or regulations bearing on the conduct of the work under this contract. If Contractor observes that the drawings and specifications are at variance therewith, he shall promptly notify NCORR in writing. Any necessary changes required after contract award shall be made by change order in accordance with Article 19. If Contractor performs any work knowing it to be contrary to such laws, ordinances, codes, rules and regulations, and without such notice to NCORR, he shall bear all cost arising therefrom. Additional requirements implemented after bidding will be subject to equitable negotiations.
- b. All work under this contract shall conform to the North Carolina State Building Code and other State, local and national codes as are applicable. The cost of all required inspections and permits shall be the responsibility of Contractor and be included within the bid proposal. All water taps, meter barrels, vaults and impact fees shall be paid by Contractor and included within the bid proposal unless otherwise noted.

ARTICLE 6 - PROTECTION OF WORK, PROPERTY AND THE PUBLIC

- a. Contractor shall be responsible for the entire site and the building or construction of the same and provide all the necessary protections, as required by NCORR or designer, and by laws or ordinances governing such conditions. Contractor shall be responsible for any damage to Owner's property, or of that of others on the job, by them, their personnel, or their subcontractors, and shall remedy such damages. Contractor shall be responsible for and pay for any damages caused to Owner. Contractor shall have access to the project at all times.
- b. Contractor shall provide cover and protect all portions of the structure when the work is not in progress, provide and set all temporary roofs, covers for doorways, sash and windows, and all other materials necessary to protect all the work on the building, whether set by him, or any of the subcontractors. Any work damaged through the lack of proper protection or from any other cause, shall be repaired or replaced without extra cost to NCORR or Owner.
- c. No fires of any kind will be allowed inside or around the operations during the course of construction without special permission from NCORR.
- d. Contractor shall protect all trees and shrubs designated to remain in the vicinity of the operations by building substantial boxes around the same. Contractor shall barricade all walks, roads, etc., as directed by NCORR to keep the public away from the construction. All trenches, excavations or other hazards in the vicinity of the work shall be well barricaded and properly lighted at night.
- e. Contractor shall provide all necessary safety measures for the protection of all persons on the job, including the requirements of the A.G.C. *Accident Prevention Manual in Construction*, as amended, and shall fully comply with all state laws or regulations and North Carolina State Building Code requirements to prevent accident or injury to persons on or about the location of the work. Contractor shall clearly mark or post signs warning of existing hazards, and shall barricade excavations, elevator shafts, stairwells and similar hazards. Contractor shall protect against damage or injury resulting from falling materials and he shall maintain all protective devices and signs throughout the progress of the work.
- f. Contractor shall adhere to the rules, regulations and interpretations of the North Carolina Department of Labor relating to Occupational Safety and Health Standards for the Construction Industry (Title 29, Code of Federal Regulations, Part 1926, published in Volume 39, Number 122, Part II, June 24, 1974, *Federal Register*), and revisions thereto as adopted by General Statutes of North Carolina 95-126 through 155.
- g. Contractor shall designate a responsible person of his organization as safety officer/inspector to inspect the project site for unsafe health and safety hazards, to report these hazards to Contractor for correction, and whose duties also include accident prevention on the project, and to provide other safety and health measures on the project site as required by the terms and conditions of the contract. The name of the safety inspector shall be made known to NCORR at the time of the preconstruction meeting and in all cases prior to any work starting on the project.

- h. In the event of an emergency affecting the safety of life, the protection of work, or the safety of adjoining properties, Contractor is hereby authorized to act at his own discretion, without further authorization from anyone, to prevent such threatened injury or damage. Any compensation claimed by Contractor on account of such action shall be determined as provided for under Article 10(b).
- i. Any and all costs associated with correcting damage caused to adjacent properties of the construction site or staging area shall be borne by Contractor. These costs shall include but not be limited to flooding, mud, sand, stone, debris, and discharging of waste products.

ARTICLE 7 - SEDIMENTATION POLLUTION CONTROL ACT OF 1973

- a. Any land-disturbing activity performed by Contractor in connection with the project shall comply with all erosion control measures set forth in the contract documents and any additional measures which may be required in order to ensure that the project is in full compliance with the Sedimentation Pollution Control Act of 1973, as implemented by Title 15, North Carolina Administrative Code, Chapter 4, Sedimentation Control, Subchapters 4A, 4B and 4C, as amended (15 N.C.A.C. 4A, 4B and 4C).
- b. Upon receipt of notice that a land-disturbing activity is in violation of said act, Contractor shall be responsible for ensuring that all steps or actions necessary to bring the project in compliance with said act are promptly taken.
- c. Contractor shall be responsible for defending any legal actions instituted pursuant to N.C. Gen. Stat. §113A-64 against any party or persons described in this article.
- d. To the fullest extent permitted by law, Contractor shall indemnify and hold harmless NCORR, designer, and the agents, consultants and employees of NCORR, and designer from and against all claims, damages, civil penalties, losses and expenses, including, but not limited to, attorney's fees, arising out of or resulting from the performance of work or failure of performance of work, provided that any such claim, damage, civil penalty, loss or expense is attributable to a violation of the Sedimentation Pollution Control Act. Such obligation shall not be construed to negate, abridge or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or persons described in this article.

ARTICLE 8 - INSPECTION OF THE WORK

- a. It is a condition of this contract that the work shall be subject to inspection during normal working hours and during any time work is in preparation and progress by Contractor, designer, designated official representatives AHJ, NCORR and those persons required by state law to test special work for official approval. Contractor shall therefore provide safe access to the work at all times for such inspections. Owner must give advance notice to Contractor and/or NCORR to ensure Owner safety pursuant to OSHA requirements.
- b. Where special inspection or testing is required by virtue of any state laws, instructions of the designer and/or NCORR, specifications or codes, Contractor shall give adequate notice to the designer and NCORR of the time set for such inspection or test, if the inspection or test will be conducted by a party other than the designer. Such special tests or inspections will be made in the presence of NCORR, or his authorized representative, or designer (if necessary) and it shall be Contractor's responsibility to serve ample notice of such tests.
- c. All laboratory tests shall be paid for by Contractor unless provided otherwise in the contract documents, including laboratory tests to establish design mix for concrete, and for additional tests to prove compliance with contract documents where materials have tested deficient, except when the testing laboratory did not follow the appropriate ASTM testing procedures.
- d. Should any work be covered up or concealed prior to inspection and approval by AHJ and NCORR (when required by the contract) and/or special inspector, such work shall be uncovered or exposed for inspection, if so requested by AHJ (verbally or in writing) or NCORR (in writing). Inspection of the work will be made upon notice from Contractor. All cost involved in uncovering, repairing, replacing, recovering and/or restoring to design condition the work that has been covered or concealed will be paid by Contractor involved.

ARTICLE 9 - CONTRACTOR AND SUBCONTRACTOR RELATIONSHIPS

- a. Contractor agrees that the terms of its contract shall apply equally to each subcontractor as to Contractor, and Contractor agrees to take such action as may be necessary to bind each subcontractor to these terms. Contractor further agrees to conform to the Code of Ethical Conduct as adopted by the Associated General Contractors of America, Inc., with respect to contractor-subcontractor relationships, and that payments to subcontractors shall be

made in accordance with the provisions of G.S. 143-134.1 titled Interest on final payments due to prime contractors: payments to subcontractors.

- b. Within seven days of receipt by Contractor of each periodic or final payment, Contractor shall pay the subcontractor based on work completed or service provided under the subcontract. Should any periodic or final payment to the subcontractor be delayed by more than seven days after receipt of periodic or final payment by Contractor, Contractor shall pay the subcontractor interest, beginning on the eighth day, at the rate of one percent (1%) per month or fraction thereof on such unpaid balance as may be due. NCORR shall not be liable for interest resulting from Contractor's failure to pay any subcontractor.
- c. NCORR will retain no more than five (5) percent of progress payments from Contractor, which will be released upon final acceptance of the HRP project. Should Contractor fail to perform work under the contract, substantially delay completion of the work, or fail to correct non-conforming work in a timely manner, NCORR may use retainage to correct non-conforming work and/or complete performance of the contract. The percentage of retainage on payments made by Contractor to the subcontractor shall not exceed the percentage of retainage on payments made by NCORR to Contractor. Any percentage of retainage on payments made by Contractor to the subcontractor that exceeds the percentage of retainage on payments made by NCORR to Contractor shall be subject to interest to be paid by Contractor to the subcontractor at the rate of one percent (1%) per month or fraction thereof.
- d. Nothing in this section shall prevent Contractor, at the time of application and certification to NCORR, from withholding application and certification to NCORR for payment to the subcontractor for unsatisfactory job progress; defective construction not remedied; disputed work; third-party claims filed or reasonable evidence that claim will be filed; failure of subcontractor to make timely payments for labor, equipment and materials; damage to contractor or another subcontractor; reasonable evidence that subcontract cannot be completed for the unpaid balance of the subcontract sum; or a reasonable amount for retainage not to exceed the initial percentage retained by NCORR.

ARTICLE 10 - CHANGES IN THE WORK

- a. NCORR may make changes to the work covered by the contract. These changes will not invalidate any portion of the contract and will not relieve or release Contractor from any guarantee given by it pertinent to the contract provisions. These changes will not affect the validity of the guarantee bond and will not relieve the surety or sureties of said bond. All extra work shall be executed under conditions of the original contract.
- b. Except in an emergency endangering life or property, no change shall be made by Contractor except upon receipt of an approved change order or written field order from NCORR authorizing such change. No claim for adjustments of the contract price shall be valid unless this procedure is followed.

A field order, transmitted by fax, electronically, or hand delivered, may be used where the change involved impacts the critical path of the work. A formal change order shall be issued as expeditiously as possible.

In the event of an emergency endangering life or property, Contractor may be directed to proceed on a time and materials basis, whereupon Contractor shall proceed and keep accurately on such form as specified by NCORR, a correct account of costs, together with all proper invoices, payrolls and supporting data. Upon completion of the work, the change order will be prepared as outlined under either Method "c"1" or Method "c"2" or both.

- c. In determining the values of changes, either additive or deductive, Contract shall be based on the final Bid Pricing Book except for in unusual circumstances.
- d. Should below grade concealed conditions be encountered in the performance of the work, or should concealed or unknown conditions in an existing structure be at variance with the conditions indicated by the contract documents, the contract sum and time for completion may be equitably adjusted by change order upon claim by either party made within thirty (30) days after the condition has been identified. All change orders shall be supported by a unit cost breakdown showing method of arriving at net cost as defined above.
- e. In all change orders, Contractor will provide such proposal and supporting data in suitable written format. NCORR shall verify correctness. Delay in the processing of the change order due to lack of proper submittal by Contractor of all required supporting data shall not constitute grounds for a time extension or basis of a claim. Within fourteen (14) days after receipt of Contractor's accepted proposal, including all supporting documentation required by NCORR, NCORR shall prepare the change order and forward to Contractor for his signature or otherwise respond, in writing, to Contractor's proposal. Within seven (7) days after receipt of the change order executed by Contractor, NCORR's representative shall certify the change order by his or her signature, and forward the change order and all supporting data to NCORR for its review of CDBG-DR, HRP and/or grant eligibility compliance and, if compliant,

NCORR will sign the change order and the revised scope of work may proceed. If the change order is denied, then Contractor shall not proceed with the work. In case of emergency or extenuating circumstances, approval of changes may be obtained verbally by telephone or via field orders approved by all parties, and then shall be substantiated in writing as outlined under normal procedure.

- f. A change order, when issued, shall include full compensation, or credit, for the work included, omitted or substituted. It shall show on its face the adjustment in time for completion of the project as a result of the change in the work.
- g. Contractor understands and acknowledges that any and all change orders made subsequent to this Grant Agreement shall be incorporated herein by reference into this original Grant Agreement. Subsequent Change Orders shall then represent the entire Grant Agreement between the parties for the new construction of their damaged home under the Program.

ARTICLE 11 – NCORR PERIOD OF PERFORMANCE STANDARD

To ensure homeowners are not out of their homes longer than necessary, NCORR has established standards for timely completion of contracted work. Completion standards begin the day NCORR issues the vendor a Notice to Proceed (NTP) and ends when home passes final inspection and the homeowner accepts key turnover. The State will assess liquidated damages for each day that exceeds required timeframes from NTP to construction passing final inspection and homeowner accepting keys. The State assesses liquidated damages of **two hundred fifty dollars (\$250) a day for each day** that exceeds approved contractual timeframe from NTP to construction passing final inspection and homeowner accepting keys. The timeframe from NTP to homeowner accepting keys is colloquially known as the Period of Performance and includes the initial period with the original scope plus any NCORR-approved time extensions. Liquidated damages are assessed for any days beyond that Period of Performance. NCORR reserves the right to issue an NTP, in the absence of a Contractor's request, at a reasonable time during the construction phase to ensure timely completion of contracted work.

ARTICLE 12 - TIME OF COMPLETION, DELAYS, EXTENSION OF TIME

- a. Contractor shall commence work to be performed under this agreement on a date to be specified in a written Notice to Proceed from NCORR and shall fully complete all work hereunder within the time of completion stated in the Contract. Time is of the essence and Contractor acknowledges NCORR will likely suffer financial damage for failure to complete the work within the time of completion. For each day in excess of the above number of days, the sum of \$250.00 per day shall be deducted from Contractor's next draw request as liquidated damages reasonably estimated in advance to cover the losses incurred by NCORR by reason of failure of said Contractor to complete the work within the time specified, such time being in the essence of this contract and a material consideration thereof. If Contractor disputes the calculation of liquidated damages, then NCORR may recover actual damages.
- b. If Contractor is delayed at any time in the progress of his work solely by: any act or negligence of Owner or NCORR; by changes ordered in the work; by labor disputes at the project site; by abnormal weather conditions not reasonably anticipated for the locality where the work is performed; by unavoidable casualties; by any causes beyond Contractor's control; or by any other causes which NCORR determine may justify the delay, then the contract time may be extended by change order only for the time which NCORR may determine is reasonable.

Time extensions will not be granted for rain, wind, snow or other natural phenomena of normal intensity for the locality where work is performed. For purposes of determining extent of delay attributable to unusual weather phenomena, a determination shall be made by comparing the weather for the contract period involved with the average of the preceding five (5) year climatic range during the same time interval based on the National Oceanic and Atmospheric Administration National Weather Service statistics for the locality where work is performed and on daily weather logs kept on the job site by Contractor reflecting the effect of the weather on progress of the work and initialed by the NCORR's representative. No weather delays shall be considered after the building is dried-in unless work claimed to be delayed is on the critical path of the baseline schedule or approved updated schedule. Time extensions for weather delays, acts of God, labor disputes, fire, delays in transportation, unavoidable casualties or other delays which are beyond the control of NCORR do not entitle Contractor to compensable damages for delays. Any Contractor claim for compensable damages for delays is limited to delays caused solely by Owner or its agents. Contractor caused delays shall be accounted for before Owner or NCORR caused delays in the case of concurrent delays.

- c. Requests for extensions of time shall be made in writing to NCORR, with copies provided to NCORR, within fifteen (15) days following cause of delay. The request must contain a brief description of: the event or situation that caused the delay; how the event and situation impacted critical work needed to complete the Project on time as such work

is reflected in the schedule or reasonably inferred from the progress of construction; a statement of Contractor's inability to perform other work to mitigate the impact of the event or situation causing delay; a statement that Contractor (including employees, subcontractors, or suppliers) were not the cause of the event or situation; and such other additional work and costs incurred by Contractor resulting from the event or situation delaying Contractor's work. **Contractor understands that the failure to provide a timely request with the requested details and cost information shall result in rejection of the request absent a reasonable and substantiated explanation for the lack of timeliness which was caused by events, situations or persons outside Contractor's control. Contractor further understands that the payments made under this Contract are from a federal grant administered by a State agency and, as a result, Contractor understands that any requests for time extensions are subject to the State and federal False Claims Acts and auditing requirements.**

- d. If a performance or payment bond has been provided by Contractor for this Project, then Contractor shall notify its surety in writing of any extension of time that is granted by NCORR.

ARTICLE 13 - APPLICATIONS FOR PAYMENT

- a. Contractor shall submit to NCORR a request for payment for work done on a schedule agreed upon by Contractor and NCORR. The request shall be in the form agreed upon between Contractor and NCORR, but shall show substantially the value of work done and materials delivered to the site during the period since the last payment, and shall sum up the financial status of the contract with the following information:
 1. Total value of contract including change orders.
 2. Value of work completed to date.
 3. Less five percent (5%) retainage.
 4. Less previous payments.
 5. Current amount due.
- b. Contractor, upon request of NCORR, shall substantiate the request with invoices of vouchers or payrolls or other evidence including compliance with federal prevailing wage laws.
- c. Prior to submitting the first request, Contractor shall prepare for NCORR a schedule of values (SOV) showing a breakdown of the contract price into values of the various parts of the work, so arranged as to facilitate payments to Contractor and subcontractors. Contractor shall list the value of each subcontractor and supplier, identifying each minority business subcontractor and supplier.
- d. NCORR will withhold retainage up to the statutory amount of five percent (5%) to ensure a prequalified contractor's completion of the project and/or to resolve any disputes with NCORR or subcontractors.

ARTICLE 14 - CERTIFICATES OF PAYMENT AND FINAL PAYMENT

- a. Within five (5) days from receipt of request for payment from Contractor (or other date set by Contractor and NCORR), Contractor shall issue and forward to NCORR a certificate for payment. This certificate shall indicate the amount requested by Contractor. If the certificate is not approved by NCORR, NCORR shall state in writing to Contractor and NCORR his reasons for withholding payment.
- b. No certificate issued or payment made shall constitute an acceptance of the work or any part thereof until issuance of a certificate of occupancy issued by AHJ and NCORR closeout the contract (warranties and guarantees shall remain in effect after contract closeout). The making and acceptance of final payment shall constitute a waiver of all claims by Contractor against Owner or NCORR except:
 1. Claims arising from unsettled liens or claims against Contractor.
 2. Faulty work or materials appearing after final payment.
 3. Failure of Contractor to perform the work in accordance with drawings and specifications, such failure appearing after payment.
 4. As conditioned in any payment bond.
- c. Contractor shall forward to NCORR the final application for payment along with the following documents:

1. List of minority business subcontractors and material suppliers showing breakdown of contract amounts and total actual payments to subs and material suppliers.
2. Affidavit of Release of Liens.
3. Affidavit of Contractor of payment to material suppliers and subcontractors.
4. Consent of Surety to Final Payment.
5. Certificates of state agencies required by state law.
6. If applicable, Asbestos Manifest from a permitted disposal facility.
7. Warranty certification by homeowner.
8. Homeowner Acceptance of Work.

ARTICLE 15 - PAYMENTS WITHHELD

- a. NCORR may withhold payment for the following reasons:
 1. Faulty work not corrected.
 2. The unpaid balance on the contract is insufficient to complete the work in the judgment of the designer and/or NCORR.
 3. To provide for sufficient contract balance to cover liquidated damages that will be assessed.
 4. Payment documentation has not been submitted by the contractor or is unacceptable.
 5. Non-compliance with contractual requirements.
- b. When grounds for withholding payments have been removed, payment will be released.

ARTICLE 16 - CONTRACTOR'S AFFIDAVIT

The final payment of retained amount due Contractor on account of the contract shall not become due until Contractor has furnished to NCORR an affidavit signed, sworn and notarized to the effect that all payments for materials, services or subcontracted work in connection with his contract have been satisfied, and that no claims or liens exist against Contractor in connection with this contract. In the event that Contractor cannot obtain similar affidavits from subcontractors to protect Contractor and Owner from possible liens or claims against the subcontractor, Contractor shall state in his affidavit that no claims or liens exist against any subcontractor to the best of Contractor's knowledge, and if any appear afterward, Contractor shall hold NCORR and Owner harmless.

ARTICLE 17 - USE OF PREMISES

- a. Contractor shall confine its equipment, the storage of materials and the operations of its workmen to limits indicated by law, ordinances, permits or directions of AHJ and NCORR and shall not exceed those established limits in his operations.
- b. Contractor shall not load or permit any part of the structure to be loaded with a weight that will endanger its safety.
- c. Contractor shall enforce NCORR's instructions regarding signs, advertisements, fires and smoking.
- d. No firearms, any type of alcoholic beverages, or drugs (other than those prescribed by a physician) will be permitted at the job site.

ARTICLE 18 - CUTTING, PATCHING AND DIGGING

- a. Contractor shall do all cutting, fitting or patching of his work that may be required to make its several parts come together properly and fit it to receive or be received by work of other subcontractors shown upon or reasonably implied by the drawings and specifications for the completed structure, as the designer or NCORR may direct.
- b. Any cost brought about by defective or ill-timed work shall be borne by the party responsible therefore.

- c. Contractor should coordinate the work of the subcontractors to avoid unnecessary cutting, fitting or patching so that Contractor avoids damaging the work of its subcontractors, and subcontractors avoid damaging the work of Contractor and/or other subcontractors.

ARTICLE 19 - CLEANING UP

- a. Contractor shall keep the building and surrounding area reasonably free from rubbish at all times, and shall remove debris from the site on a timely basis or when directed to do so by NCORR. Contractor shall provide an onsite refuse container(s) for the use of all contractors. Contractor shall remove rubbish and debris from the building on a daily basis. Contractor shall broom clean the building as required to minimize dust and dirt accumulation.
- b. Contractor shall provide and maintain suitable all-weather access to the building.
- c. Before final inspection and acceptance of the building, Contractor shall clean the work area, including glass, hardware, fixtures, masonry, tile and marble (using no acid), clean and wax all floors as specified, and completely prepare the building for use by Owner, with no cleaning required by Owner.

ARTICLE 20 - GUARANTEE

- a. Contractor shall provide a third-party warranty that unconditionally guarantees materials and workmanship against patent defects arising from faulty materials, faulty workmanship, or negligence for a period of twelve (12) months following the date of final acceptance of the work or beneficial occupancy and shall replace such defective materials or workmanship without cost to Owner. Contractor shall provide a two (2) year third party warranty for all mechanical systems, and a ten (10) year warranty for all structural work performed under the Contract. The Owner is an intended third-party beneficiary of this contract; the Owner shall hold the warranties. All third-party warranties shall be serviced by a reputable home warranty company. Third party warranty contract and contact number shall be provided to the homeowner and NCORR at the completion of the construction project.
- b. Where items of equipment or material carry a manufacturer's warranty for any period in excess of twelve (12) months, then the manufacturer's warranty shall apply for that particular piece of equipment or material. Contractor shall replace such defective equipment or materials, without cost to Owner, within the manufacturer's warranty period.
- c. Additionally, Owner may bring an action for latent defects caused by the negligence of Contractor which are hidden or not readily apparent to Owner or NCORR at the time of final acceptance, whichever occurred first, in accordance with applicable law.
- d. Guarantees for roof, equipment, materials, and supplies shall be stipulated in the specification's sections governing such roof, equipment, materials, or supplies. Contractor shall also provide all instruction manuals stipulated in the specification sections and/or that were furnished to Contractor from the manufacturer (e.g., hot water heaters, HVAC units, electrical equipment or fixtures, plumbing equipment and fixtures, appliances, etc.).

ARTICLE 21 - WOMEN AND MINORITY BUSINESS PARTICIPATION

2 C.F.R. § 200.321 requires that all necessary affirmative steps are taken to assure that minority and women's businesses are used when possible, and N.C. Gen. Stat. 143-128.2 establishes a ten percent (10%) goal for participation by minority and women owned businesses in total value of work for the HRP. The document, *Guidelines for Recruitment and Selection of Minority Businesses for Participation in State Construction Contracts*, including Affidavits, is found on the N.C. State Construction Office website.

ARTICLE 22 - CONTRACTOR EVALUATION

Contractor's overall work performance on each assigned or awarded HRP project/contract shall be fairly evaluated in accordance with the policy and procedures for determining continued prequalification for future work in the HRP. Contractor Evaluation Procedures are hereby incorporated and made a part of Contractor's approval of its application for prequalification. NCORR will evaluate Contractor's performance.

ARTICLE 23 - GIFTS

Pursuant to N.C. Gen. Stat. § 133-32, it is unlawful for any vendor or contractor (i.e. architect, bidder, contractor, construction manager, design professional, engineer, subcontractor, supplier, vendor, etc.) to make gifts or to give favors

to any State employee. This prohibition covers those vendors and contractors who: (1) have a contract with a governmental agency; or (2) have performed under such a contract within the past year; or (3) anticipate bidding on such a contract in the future. For additional information regarding the specific requirements and exemptions, vendors and contractors are encouraged to review G.S. Sec. 133-32.

During the construction of the Project, Contractor and subcontractors are prohibited from making gifts to any employees of NCORR and/or any other State employee from any other State Agency that may have any involvement, influence, responsibilities, oversight, management and/or duties that pertain to and/or relate to the contract administration, financial administration and/or disposition of claims arising from and/or relating to the Contract and/or Project. In addition, Contractors are prohibited from making gifts to the Owner at any time. Contractors in violation of this provision of the agreement will be removed from participation in the program and reported to the HUD Office of Inspector General for investigation.

ARTICLE 24 - AUDITING-ACCESS TO PERSONS AND RECORDS

In accordance with 2 C.F.R. § 200.501 and N.C. Gen. Stat. §147-64.7, the Office of the Inspector General (OIG), State Auditor, NCORR or other applicable state agency internal auditors, or HUD shall have access to NCORR's and Contractor's officers, employees, agents and/or other persons in control of and/or responsible for Contractor's records that relate to this Contract for purposes of conducting audits under the referenced statute. HUD and NCORR's internal auditors shall also have the right to access and copy NCORR's and Contractor's records relating to the Contract and Project during the term of the Contract and within five years following the completion of the Project/close-out of the Contract to verify accounts, accuracy, information, calculations and/or data affecting and/or relating to NCORR's and Contractor's requests for payment, requests for change orders, change orders, claims for extra work, requests for time extensions and related claims for delay/extended general conditions costs, claims for lost productivity, claims for loss efficiency, claims for idle equipment or labor, claims for price/cost escalation, pass-through claims of subcontractors and/or suppliers, and/or any other type of claim for payment or damages from NCORR and/or Owner.

ARTICLE 25 - NORTH CAROLINA FALSE CLAIMS ACT

The False Claims Act (31 U.S. Code § 3729) and the North Carolina False Claims Act ("NCFCA"), N.C. Gen. Stat. § 1-605 through 1-618, apply to this Contract. Contractor should familiarize itself with the False Claims Act and the NCFCA and should seek the assistance of an attorney if it has any questions regarding the NCFCA and its applicability to any requests, demands and/or claims for payment it submits to the State through the contracting state agency, institution, university or community college.

The purpose of the NCFCA "is to deter persons from knowingly causing or assisting in causing the State to pay claims that are false or fraudulent and to provide remedies in the form of treble damages and civil penalties when money is obtained from the State by reason of a false or fraudulent claim." (Section 1-605(b).) Contractor's liability under the NCFCA may arise from, but is not limited to: requests for payment, invoices, billing, claims for extra work, requests for change orders, requests for time extensions, claims for delay damages/extended general conditions costs, claims for loss productivity, claims for loss efficiencies, claims for idle equipment or labor, claims for price/cost escalation, pass-through claims of subcontractors and/or suppliers, documentation used to support any of the foregoing requests or claims, and/or any other request for payment from the State through the contracting state agency, institution, university or community college.
